ABOUT US

Transcription is the process of converting recorded audio into written form. Our objective is to make efficient and accurate transcripts within 24 hours or less. We help improve business processes by providing customized dictation and transcription solutions.

Verbal Solution is your one stop solution for all kinds of transcription services including: medical transcription, dental transcription, legal transcription and business transcription. Our dedicated and experienced team handles your transcription jobs with utmost professional care. Our primary goal is to provide quality transcription at affordable rates.

Security and Confidentiality of data is of utmost importance to us. We subscribe to a service with ISO 9001 certification technology to help make our secure web-based platform.

Whether you are in an office, on the road or at home, Verbal Solution can provide you the transcription services you need.

Why Choose Verbal Solution

Simple Send - Receive Process

- Send Us The Audio - Digital Voice Recorder Option:** Dictate on any digital voice recorder. Transfer dictation to your computer & simply log on to our platform using your user ID and password to send the files.
- Send Us The Audio - Toll-Free Option:** Your practice will be provided an ID and password allowing you to dictate from any type of phone (cell / land line).
- Get Your Reports - Download from Online System:** Simply log on to our web platform from anywhere (i.e. office/home) and click "Download" and your Transcripts are ready to print.

Why choose Verbal Solution for your Transcription needs

Quality: Verbal Solution ensures high quality with a three tier quality review process. Our experts proof read the files and check for errors.

No contract, no set up fee, no minimum and no hidden charges. Start your free quote today.

Toll Free Number: Verbal Solution maintains a 1-800 toll free number that you can access anytime and that has the capability to store hundreds of hours of dictation. When you send your dictation via this toll free number you can be assured that your transcripts will be returned within 24 Hours.

Customization: Many clients pay significantly more for in-house transcription services because the transcriptionist knows their preferences for a particular format. We therefore assign a transcriptionist to your account who will make sure your needs are met and deliver consistent reports each time.

Internet Based: Verbal Solution customers have 24/7 access via the internet, enabling you to send or receive your reports.

Security: At Verbal Solution we subscribe to a secure platform for all correspondence which is 100% compliant.

Support All Recorders: We support all types of voice recorders.

Book Cover

Back Cover

So you've decided to raise capital for your start-up company. Many entrepreneurs try and fail simply because no one showed them how to get it done. This is straight-forward, practical advice that will get you in shape to approach the investment community and stand well apart from the unprepared. You will find out how to prepare yourself, your company and your deal. In addition to revealing a step-by-step process, *Swagger & Sweat* follows the Tale of Tom, a fictional character starting a company, raising money and getting his exit. In true to life form, not all goes as planned.

Swagger & Sweat - A Start-up Capital Boot Camp covers:

- **Founderitis** – Avoid what has become the death of many deals
- **Teams** – Learn what investors need to see in you and your team
- **Investment Returns & Exits** – Craft reasonable, bi-lateral expectations
- **Valuations & Deal Terms** – Discover how to create a win-win deal
- **Materials** – Create a business plan that matters
- **About Investors** – Analyze your prospective investors as they analyze your deal

"Warren has taken his collective experiences in helping to raise capital and has articulated the most important themes and concepts with absolute brilliancy."

About the Author

Warren Bergen is an award-winning entrepreneur, investor, corporate advisor and has assisted in the capital raise for many growing businesses. He was the Executive Director of a network of venture capitalists, facilitating investment in showcase technology companies. He is a former director of the National Angel Capital Organization and has participated as a guest speaker and/or panelist at many investment conferences for emerging companies. He is currently Vice President, Corporate Development with AVAC Ltd., a company that invests in promising early-stage businesses in the agri-business, ICT, life sciences, and other industrial technology sectors.

"*Swagger & Sweat* is a long overdue and much needed resource for emerging entrepreneurs. Warren's book engages us with a plain language and information rich read that should be on every entrepreneur's book shelf."

Michael Yureschak, BCOM, MBA,
President and CEO, Energy Engine
